

## Conference on Urban Lighting in African Cities

Only a few weeks left to register for the Urban Lighting in African Cities conference taking place in Dakar, Senegal on 23 – 24 May 2017!

This unique LUCI event on the African continent aims to create a regional meeting space on urban lighting.

The conference, which is organised by LUCI and the City of Dakar, is sponsored by LUCI associated members Osram and Philips and supported by Lighting Designers Without Borders as well as the AFD (French Agency for Development).

More details on the conference venue and accommodation are now available on the event website. [Learn more and register here](#)

### Events and projects

#### LUCI Annual Report 2016

The LUCI Annual Report 2016, which provides an overview of the main activities of LUCI in the year 2016 is now available for [download via this link](#). *It is in an interactive PDF format, so to enjoy optimal navigation, please save the file to your desktop and open it using Adobe Acrobat.* If you would like to receive printed copies of the Annual Report by post, please contact [luci@luciassociation.org](mailto:luci@luciassociation.org).

### Calendar

**Urban Lighting in African Cities**

## European SSL strategy supported by SSL-erate project

The recently finished European SSL-erate project has successfully supported the uptake of high-quality Solid State Lighting. Over a period of three years, the project promoted opportunities for broader SSL uptake based on green, sustainable SSL business development and the positive effects of lighting on health and well-being. [Learn more here](#)

## EU Sustainable Energy Week 2017

The EU Sustainable Energy Week 2017 high-level policy conference on energy efficiency and renewables will take place in Brussels on 20 - 22 June 2017. It will involve policymakers, energy stakeholders and NGOs addressing the latest policy developments and innovations. Topics range from smart transport, to an energy market adapted to clean energy, to better energy efficiency in buildings. Will you be at [EUSEW](#)? Spread the word about LUCI and the importance of urban lighting. Contact [luci@luciassociation.org](mailto:luci@luciassociation.org) if you would like some support materials.

> 20 years of lighting in

Jyväskylä
