Online kick-off for LAiPS Light Art in Public Spaces project

LUCI launched the new EU Creative Europe project LAiPS with an online meeting on 4 February bringing together project partner cities Lyon, Oulu and Turin. The 3-year project led by LUCI aims to build knowledge in the field of permanent light art through the development of a Light & Art Lab and the creation of a digital tool. Stay tuned for updates!

LUCI Coffee Bre@k March - Behind the Scenes of Stavanger's lighting

LUCI members are invited to our monthly Coffee Bre@k on 18 March to wrap up the first day of the CM Stavanger event online. It will be an exclusive moment with the Stavanger team to learn about their challenges and visions for the future of lighting in their city.

"Lighting sobriety" in cities

LUCI members learned about the concept of "Lighting sobriety" from Nicolas Houel, Associate Researcher at AAU Laboratory Nantes, in the latest LUCI Coffee Bre@k online session on 18 February 2021. The session introduced a new digital mapping tool to monitor public lighting in real-

time and collect physical and subjective indicators from citizens.
