

### First look at Brussels intelligent streetlighting project

LUCI members got a first look at a major smart lighting project currently underway in Brussels in the LUCI Coffee Bre@k online session on 15 April 2021. Sibelga Streetlighting Manager, Bénédicte Collard, shared the objectives, challenges and solutions linked to this project deploying 20000 connected streetlights in the next 3 years.

### LUCI cities mark Earth Hour 2021

Held every year on the last Saturday of March, Earth Hour engages millions of people to switch off their lights to show support for our planet. Several LUCI network cities have supported the initiative by switching off key public lighting installations for some years now. See how some LUCI cities marked Earth Hour in 2021: [read more here >>](#)

### Get new factsheets on Green Public Procurement

The EU Interreg BSR project, Lucia – Lighting the Baltic Sea region, recently released a new set of factsheets linked to green public

procurement for urban lighting.

## Chartres light festival

The City of Chartres just kicked off the 18th edition of the Chartres en Lumières light festival, which will continue until the end of the year. Launched on 10 April, Chartres en Lumières 2021 features 23 sites illuminated every evening.

[See the festival installations here >>](#)

## CALLS & ANNOUNCEMENTS

### Call for projects: Fête des Lumières 2021

The City of Lyon invites artists to submit their proposals for the next edition of the Fête des Lumières, Lyon's world-renowned light festival. Artists and creatives have to follow the public tenders procedure; only 3 sites are open for public contracts this year. Deadline: 13 May 2021 (midnight).

[More details here >>](#)

### Shine 2021: call for artists

Emerging artists can apply for the SHINE programme of the Light Up the North (LUTN) network of 6 light festivals across the north of England. Artists will be given the opportunity to exhibit or perform new work at four of the LUTN festivals in 2021. Deadline 4 May 2021.
