

One month to LUCI AGM Tartu!

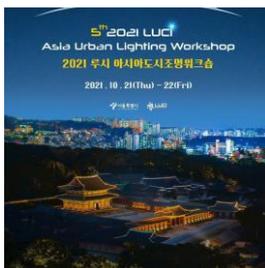

Have you registered yet for the **LUCI Annual General Meeting Tartu** taking place on **27-30 October 2021**? You can attend this hybrid event online or in-person, and we still have a few hotel rooms left! Come join us and discuss smart lighting, TAVA light festival, and light in European Capitals of Culture. [Register here >>](#)

Whose fault is light pollution anyway?

LUCI members got insights on a new study identifying some of the main sources of light pollution during the September LUCI Coffee Bre@k online session. It featured the study author, Dr. Christopher Kyba, from GFZ German Research Center for Geosciences.

LUCI members can [see the replay on the LUCI Hub >>](#)

Asian cities: join lighting workshop AULW 2021 online

Cities and partners from the Asian region are invited to participate in the 2021 **LUCI Asia Urban Lighting Workshop** online on **21-22 October 2021**. Organised by the Seoul Metropolitan Govt and LUCI, this year's workshop will focus on carbon neutrality as well as cultural heritage landscape lighting.

Light at Velo-city 2021 Lisbon

What role does light play in cycling? The Interreg BSR Lucia project talked light during the Velo-city conference on cycling and active mobility in Lisbon on 8 September. Entitled "How nighttime cycling delivers on cycle diversity" the session featured LUCI alongside other project partners. Video replay available soon!

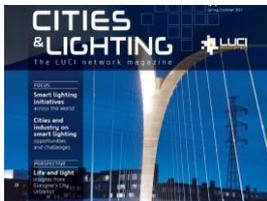

Light festival news

- The **TAVA Tartu in Light** festival is coming up next month from 27 - 30 October 2021. Participants of the LUCI AGM Tartu will have the chance to experience it in person!

CALLS & ANNOUNCEMENTS

Call for article topics – next Cities & Lighting magazine

Would you like to share your latest lighting project with the LUCI network and beyond? Suggest your city's new lighting initiative for the Highlights section of the next issue of the Cities & Lighting magazine! Send an email with images and a few lines describing the project to luci@luciassociation.org by 15 October 2021.

Last days: call for abstracts on light for health & wellbeing

Calling all researchers: share your knowledge and results on theory, methodology and applications about the effects of urban lighting on health and citizen wellbeing! Submit your abstracts for the international conference on "Shaping light for health and wellbeing in cities" organised by the ENLIGHTENme project on 16-17 December 2021.

Abstract deadline: 4 October 2021. [More information here >>](#)

LUCI Quiz

Where can you ask your questions in advance to the speakers of AGM Tartu?
