### City of Madrid joins LUCI

Welcome to the City of Madrid, a brand new LUCI member! The city aims to focus on ensuring quality lighting for monuments, streets and urban landscapes, as well as creative lighting events for special occasions. It just successfully launched its first light festival, LuzMadrid this October!

### LUCI AGM Tartu – a one-of-a kind event

The LUCI Annual General Meeting 2021 in Tartu, Estonia last month gathered over 200 participants representing 44 cities in a one-of-a kind, hybrid format. Lighting design and light art in Tartu; smart lighting; light in European Capitals of Culture – these were just some of the topics discussed. [See photos and highlights here >>](#)

*LUCI members will have access to event videos and ppts in the LUCI Hub!*

### Conference on light and health in cities

Be sure to join the international conference "Shaping light for health and wellbeing in cities" taking place on **16 – 17 December 2021** online. Organised by the ENLIGHTENme project consortium, the conference will investigate the multifaceted consequences light has on life in cities, exploring indoor and outdoor lighting impacts on health and wellbeing.

## CALLS & ANNOUNCEMENTS

### Call for proposals - Tartu 2024

The City of Tartu has just launched a call for proposals to support the implementation of international cultural projects interpreting the concept of the Arts of Survival of the European Capital of Culture Tartu 2024 in the years 2023–2024.

[More details on call content and timeline here >>](#)

### Call for projects: Blue Night Nuremberg

Artists are invited to propose projects for the Blue Night 2022 in Nuremberg, Germany's biggest and most varied Long Night of Art and Culture. Taking place on 7 May 2022, it will feature artworks in courtyards, enclosed public spaces, squares and streets in Nuremberg's inner city. Deadline: 12 December 2021. [More details >>](#)

## CITIES IN ACTION

### Turin hosts first Light & Art Lab

The Light & Art Lab of the EU project Light & Art in Public Spaces (LAIPS) got off to a great start in Turin on 8-10 November 2021. It brought project cities Lyon and Oulu to Turin, for site visits and peer-to-peer discussions to experience the Luci d'Artista festival and exchange on light art projects. [Learn more here >>](#)

### Light festival news

- Learn more about the [special edition of the Ghent Light Festival](#) which celebrated its 10-year anniversary on 10-14 November 2021 by bringing back four of the public's favourite light art installations.
- See [photos and videos](#) from the **GLOW** light festival featuring installations and light artworks in and around Eindhoven on 6 – 13 November 2021.
- Check out the [LUMIERE](#) festival which took place in Durham on 8 – 21 November 2021.
- The **Lumo Light Festival Oulu** lit up the city again on 19–21 November 2021. Take a look at some [photos](#) here.

### LUCI Quiz

Which recent pilot project in Germany conducted night walks to explore how lighting is perceived by elderly people?

[See the answer here >>](#)
