

LUCI 20 years!

Shaping together the Future of Urban Lighting

Save the Dates

LUCI celebrates 20 years of connecting cities with light!

In 2022, LUCI offers many opportunities to meet, exchange, and progress to shape together the Future of Urban Lighting. All our energy is focused on finding common solutions to some of the challenges cities face to improve the quality of life of citizens with sustainable urban lighting.

Main Events for 2022

Dates and details are subject to change, [check the LUCI website](#) for latest updates

Registrations and other information will be available soon!

LUCI 20 Years Gathering: Sparking the Future of Urban Lighting

16-19 May 2022

In conjunction with the International Day of Light

Online event

This special online event to mark the 20th anniversary of LUCI will feature keynotes, roundtables and LUCI working group meetings. This will include convivial moments by and for LUCI members to look back at 20 years of the Network, be inspired by peers and experts, and participate in the co-creation of a major LUCI Declaration on the future of urban lighting. During the event, LUCI will launch the new Cities & Lighting Awards.

LUCI Asia Urban Lighting Workshop (LAULW)

16-17 June 2022

Online event

The LUCI Asia Urban Lighting Workshop (LAULW), organised jointly by LUCI and the City of Seoul, provides a platform for public lighting decision-makers from Asia to exchange information and practices on the benefits and challenges of sustainable and smart urban lighting.

LUCI 20 Years Gathering: Annual General Meeting (AGM) Busan

19-22 October 2022

Busan, South Korea (hybrid)

This year's LUCI Annual General Meeting (AGM) will take a new shape and adopt the 2022 LUCI Declaration that will have been developed throughout the year. The event will also bring together the members of LUCI for its General Assembly as well as conferences, working group meetings, open conference sessions and the discovery of the host city and its lighting strategy.

This event will take place in Busan, South Korea, with a hybrid component for online participation.

Lyon Light Festival Forum

8-9 December 2022

Lyon, France

Organised every year by LUCI in collaboration with the City of Lyon, the Lyon Light Festival Forum offers creative lighting professionals a unique space to explore new forms of creative lighting in the urban space. It is also an opportunity to experience the world-renowned Fête des Lumières.

LUCI Coffee Bre@ks

Take a quick 30-minute break from your day-to-day and join the LUCI family for online discussions. At each Coffee Bre@k, a new topic is on the agenda and we hope to recreate the convivial and inspiring moments we share during our events. All LUCI members are welcome!

The LUCI Coffee Bre@ks are held on the third Thursday of

most months from 10:00 to 10:30 CET/CEST time.

Next LUCI Coffee Bre@ks:

17 March

The effects of reduced public lighting on crime and fear of crime: a literature review

Speaker: Prof Dr Elisabeth Enhus

**21 April / 16 June / 15 September / 17 November /
15 December**

More details coming soon
