

Happy New Year 2022

In 2022, all our energy is focused on connecting cities with light. As we celebrate LUCI's 20th anniversary, there will be many opportunities to meet, exchange, and progress. Stay tuned for more information about this year's schedule, coming soon!

If you missed some of our activities in 2021, check out the [highlights from 2021 here >>](#)

New LUCI publication: Cities' Guide to Smart Lighting

LUCI has just released the *Cities' Guide to Smart Lighting* – a white paper, from cities, for cities – aiming to help cities build their vision on smart lighting and support possible actions towards realisation. LUCI members will receive a hard copy in the post soon. In the meantime, you can download your [free digital copy here >>](#)

SMART-SPACE project final conference

The final conference of the SMART-SPACE project 'Smart lighting: more than technology' took place on 20 January 2022. Participants learned about smart lighting value, pilot projects and challenges at the regional and European level. Missed it? You can rewatch the recording on the
