

LUCI AGM 2023 in Jyväskylä: experiencing the power of light ✨

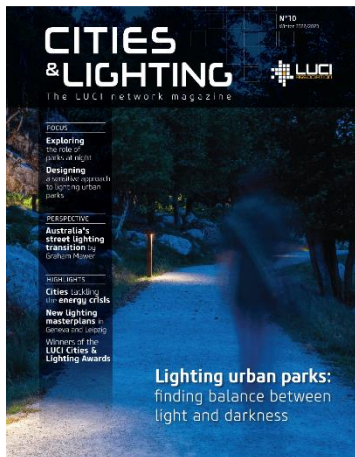

The LUCI Annual General Meeting 2023 in Jyväskylä offered not only the opportunity to get inspired by multiple perspectives on urban lighting, but also to experience the power of light to deeply transform our cities, bring us together and share a common vision. Some insights on LUCI's [LinkedIn](#) & [Twitter](#) feeds with [#LUCIagmJyvaskyla](#).

Light Art as a strategic tool to enhance the nocturnal city experience 📱

Through a combination of site visits and peer-to-peer discussions, the third **Light & Art Lab** brought [LAIPS](#) project partners to Oulu to continue knowledge exchange on the topic of permanent light art. They discussed how designed darkness can give a frame to the expressions of artistic light installations that enhance the experience of the city. [Read the Light & Art Lab report >>](#)

The LUCI Cities & Lighting Magazine n°10 is out! 📰

We are thrilled to share the 10th issue of the [#LUCInetwork](#) magazine! The Focus section of this issue is about “**lighting urban parks: finding balance between light and darkness**”. It includes interviews and inspirations from cities, designers, academics, creatives and more. While LUCI members have received printed copies, it is still time to ask for yours! CITIES

IN

ACTION

Cities are talking about the LUCI “Declaration for the Future of Urban Lighting” launched in Jyväskylä

The “**Declaration for the Future of Urban Lighting**” has been launched during the past **AGM in Jyväskylä**. City representatives from **Budapest, Leipzig, Oulu, Eindhoven, Jyväskylä and Glasgow** came on stage to share their perspectives, introduce and illustrate the Declaration Goals. During the dynamic World Café session, the Goals were reviewed and participants brainstormed on short- and long-term strategy actions to help reach these goals. The message was clear: **It is time for action!** **Download the LUCI Declaration >>**
