The LUCI Declaration is out!

 [GB](#) [FR](#) [ES](#)

After LUCI members adopted the Declaration at the **Annual General Meeting** on Thursday 2nd March 2023 in Jyväskylä, LUCI Association chose to release the document on the occasion of the **International Day of Light**, on May 16th, 2023. Since then, the **#LUCIdeclaration** has already been downloaded over a hundred times all over the world! It is now available in English, French and Spanish.

More languages to come... *stay tuned!*

Successful “Sharing light 4Ukraine” campaign 🔦

As part of the campaign “**Sharing light 4Ukraine: Leipzig, Brussels, Kyiv and you**“, the LUCI network collected 100 flashlights from various cities and LUCI members. The torches have arrived in **Leipzig** and are on their way to Ukraine. The lamps were handed over on the occasion of a visit in Leipzig by representatives of the **Kiev city administration**. We would like to express our gratitude to all of the participants. [Read more about it >>](#)

Short survey on Light Pollution: we need your help!

LUCI is launching a **short survey** to find **international perspectives on regulations and tools** to minimise light pollution in cities. The survey aims to collect information on the current regulatory framework, and the measures to **evaluate & monitor light pollution**. Help us by filling out this very short survey **by the 30th of June >>**

The City of Vilnius delivers a guidebook of lighting design standards

A guidebook of lighting design standards for Vilnius city has been published to prioritize pedestrians and create a balanced, sustainable, and attractive urban environment after dark. It comprises eight topics with specific rules to design lighting. [More info >>](#)

Urban Lighting Seminar - Light Pollution in focus - 14 to 15 September 2023

In the context of the Green Capital of Europe, the City of Tallinn is organising [an urban lighting seminar](#) together with Tallinn University of Technology ([Taltech](#)) with a strong focus on tackling light pollution. The LUCI Light Pollution Working Group will

meet following this seminar.
The seminar will also be held at the same time as the *Wandering Light Festival*. Participation to the Seminar, Working Group and light festival is free of charge. Seats are limited. [More info >>](#)

The Whispering lights of Tallinn Old Town

The Old Town of Tallinn is an exceptionally complete and well-preserved medieval northern European trading city on the coast of the Baltic Sea. The oldest sections of Tallinn's city wall were built in the 13th century. In 2019, the city wall and towers of Tallinn's Old Town received a new and contemporary lighting solution that reveals the beauty of this historical site, but also tells its story. [More info >>](#)
